

PFT MIXER

Power for Pros - the powerful hand mixer

The powerful hand mixer for effortless and efficient mixing of high-viscosity materials such as ready-mixed mortar, ready-mixed plaster, screed and much more. Perfect for construction sites and workshops - powerful, ergonomic and reliable. With powerful performance and sophisticated handling, it ensures perfect results with every mix.

TECHNICAL DATA

Part no.	00854296
Nominal voltage	230 V
Power consumption	2000 W
Frequency	50 / 60 Hz
No-load speed	0 - 800 min ⁻¹
Nominal speed	0 - 430 min ⁻¹
Maximum agitator diameter	180 mm
Tool mount	M 14
Protection class	II
Weight	ca. 6,0 kg
Spark interference acc:	EN 55014 and EN 61000

ADVANTAGES AT A GLANCE

- 1** Powerful motor
- 2** Compact metal handles with soft-touch grip, handy, vibration-damping, non-slip - easy to put down, user-friendly transport
- 3** Side handle (can be used on both sides - safe handling for highly viscous material)
- 4** Adapter piece for different mixing paddles
- Electronic switch - continuous speed adjustment for low-splash mixing
- Maintenance-friendly - easy replacement of carbon brushes
- powerful and efficient
- Ergonomic design for comfortable working
- versatile use for different materials
- Power for pros

AREAS OF APPLICATION

- Ready-mix mortar
- Ready-mix plaster
- Cement plaster
- Lime plaster
- Concrete
- Screed
- Pastes
- Sealing compounds
- Plaster
- Granulates
- Quartz-filled epoxy resins

ACCESSORIES

- Mixing paddle
- Carbon brushes
- Adapter M 14 AG x M 18 AG
- Handle, both sides

PART NO.

- 00856729
- 00856023
- 00856728
- 00856024

The PFT Service guarantee

Customer-friendliness, technical expertise and service-orientation. That's what the PFT brand with its sales and service centers worldwide stands for also in the coming decades.
